

Technische Universität Berlin

An der Technischen Universität Berlin, Faculty VI - Building Planning Environment - Institute of Architecture is advertising a

Guest Professorship

for the discipline "**Architectural Design and Construction - Architecture of Transformation**".

Faculty VI

Reference number: VI-266/17 (starting at 01/10/17 / for a period of 2 years / closing date for applications 16/06/17)

Working field: The key competences of the subject area are architectural design and building construction, as well as research in the field of architecture of transformation. The chair teaches architectural design to second year students in the Bachelor program as well as in the Master program and supervises Bachelor and Master theses. The main focus is on design concepts with special emphasis on building in the urban context and its transformation. The joint education of design and building construction is a unique characteristic of the TU Berlin and constitutes a core element of the "Berlin model of education" to which the Institute for Architecture is committed.

Requirements: Fulfilment of the requirements for assignment acc. to § 113 in conjunction with § 100 BerlHG (Berlin Higher Education Act). Special pedagogic-didactic suitability (direct access 144242) shall be proven by a teaching portfolio. TU Berlin is looking for a female or male architect with professional experience in architecture and didactical skills proven by a minimum of three years of teaching experience at university level in the field of architectural design. A high willingness to cooperate in interdisciplinary teams regarding teaching and research and readiness to collaborate in the academic self-administration and in the various teaching obligations within the Institute for Architecture is expected. Classes are to be held in German, but applicants are also expected to be able to teach courses in English.

Technische Universität Berlin strives to increase the proportion of women in research and teaching and therefore strongly encourages qualified female researchers to apply. Qualified individuals with disabilities will be favored.

Please send your application by **16 June 2017** indicating the **reference number** and including standard supporting documents (curriculum vitae, list of realized projects and competition entries, teaching portfolio, as well as a teaching concept) **preferably by e-mail to IfA_geschaeftsstelle@tu-berlin.de** (the document shall not exceed 30 pages). Alternatively you may submit a printed application (including a digital version on a standard storage medium) to Technische Universität Berlin – Der Präsident –, **Fakultät VI, Institut für Architektur, Geschäftsführender Direktor, Prof. Dr. Gleiter, Sekr. A 18, Straße des 17. Juni 152, 10623 Berlin**. The commission may request additional documents at a later point in time.

Please send copies only. Original documents will not be returned.

The vacancy is also available on the internet at <http://www.personalabteilung.tu-berlin.de/menue/jobs/>
